What are some travel advice to consider before visiting Hong Kong?

Travel tips for you:

- You can get to Hong Kong by air and rail. You must, however, adhere to certain laws and regulations laid by the city.
- The city is clean, so do not spit on the roads.
- Hong Kong is one of the most expensive cities, so do not forget your wallet when you go out or dine at any place.
- Do not walk quickly in the crowded areas or try to get somewhere quickly as this can cause inconvenience to the side walkers and pedestrians.
- Do not try eating Pizzas in Hong Kong as the toppings can be meat from exotic animals that you might not eat or feel squeamish about. Always stick to the local cuisine.
- Learn to say greetings in Cantonese language to get by, even though the locals know to speak English.
- Do not forget to bargain in the local shops.
- Hong Kong has many options for shopping, sightseeing, and many other things to do.
- Do not stick to just one set of things; explore as many options as possible when in Hong Kong.

What you will like in Hong Kong?

1. The ruggedly diverse landscape of Hong Kong is a paradise for hiking enthusiasts. Hikes like Dragon's Back Trail are considered to be the best in Asia. The highest peaks like Tai Mo Shan & Lantau are reachable by foot.
2. Hong Kong's ancient water systems are still alive after centuries and an important part of Hong Kong tourism. Various cruises offer unforgettable views of the famous Symphony of Lights, Victoria Harbour, and other attractions.

Do I need a visa for Hong Kong?

Indians can avail of a visa-free stay in Hong Kong for up to 14 days. An online pre-arrival registration needs to be completed before visiting. This benefit is not available to people who are directly transiting in the air or those who are not leaving the airport's transit area. The registrations are valid for 6 months or until the expiry of the linked passport, whichever is earlier.

When is the best time to visit Hong Kong?

The months in between October to December is considered the best time span to travel Hong Kong. This is the period boasting comfortable temperatures at justifiable room prices. On the emergence of New Year, tourism tapers up consequently. Despite low temperatures, the hotel prices are notably high with a lot of tourists rallying up to this spot to spend their vacation. Short spring is another affordable sweet spot for travel. While summer is the most relished and popular time for the travelers, Hong Kong's weather can be extremely warm and humid.

Month-wise segregation to decide upon which time of the year is best to visit Hong Kong:

October to December

The months in between October to December is the longest and the hottest. But however, the pace of the city never strides down the lane. You are sure to enjoy the daytime temperature in between the month October to December.

January to March

The months in between January to March while cool discourages few of the tourists to flock for a vacation to Hong Kong. It is extremely necessary to know that the hotels increase the rates for around two times of the year during the two New Year celebrations. Also, keep in mind that the snaps covered in Victoria Peak during this time might not appear perfect because the place at this time is swiped and covered with fog over the tranquil harbor during the month of March.

April to May

For the tourists the timespan between the months April to May is the best because it is springtime. Spring is the best time to visit, especially for those tourists who are looking forward to neglecting both the summer's humidity and the winter's cold weather. During this time, the rates of the hotel rooms are comparatively less, thereby making it manageable.

June to September

This is the time span when the summer season is at its worst. Hong Kong at this time of the year is extremely warm, muggy, typhoon prone and hot. However, this is also the time span when the hotel rates are not so depressing for the travelers. Therefore, if you can bear the torturous heat then you most invited to visit and explore the city at this time.

What are the drinking laws in Hong Kong?

In Hong Kong you can drink in public areas, you only have to be above 18 years of age to be able to start drinking.

What is the local language in Hong Kong and which are the most commonly used greetings?

Cantonese is the local language of Hong Kong. Greetings in Hong Kong are as follows:

Néih hóu- Hello

Joigin- Goodbye

Jóusàhn - Good morning

Hahng'wúih – Nice to meet you
