Travel Advice

Make sure you have at least one proof of your identity.

Do not let anyone deceive you. It is always a good idea to gather sufficient information whenever you are traveling to any new destination or location.

When getting involved in any adventure sport or water activity, make sure you hire a professional to help you.

Never neglect your safety when trying any adventure activity.

Do not get involved in any form of drugs and keep away from drug peddlers

Carry at least one proof of your identity with you at all times.

Do not get involved in any fight or brawl with any of the locals here.

Never film or make videos without the necessary permissions.

Do not travel alone in the night hours.

Drinking Law

The legal age for drinking alcohol is 18 years. However, you must be at least 21 years to legally buy alcohol in the United States of America.

Our Recommendations: What You Can't Afford to Miss?

White House

The White House is the official residence of the USA's President. It is naturally present on almost every tourist's places to see on visit to the Washington. This incredible structure has been a home to almost every President except George

Washington. Built in the year 1792 by James Hoban, The White House was burned down by the British in the year 1814. It was however rebuilt in the year 1818. You can take a tour to the White House which is usually free. However, to make a visit to the house, you must make a reservation at least three weeks in advance. Here there are strict security rules that are always active.

Grand Canyon

Undoubtedly one of the prime attraction of the United States of America is the Grand Canyon. Chiselled out of the Colorado River, Grand Canyon dissects the landscape and creates some of the most dramatic cliff ledges and walls. Visitors who come to the Grand Canyon can see down to the floor that lies a mile below and look out for the cliffs and ridges which run just as far as your eyes can see. One of the most visited section of the Grand Canyon National park is the South Rim. It sees visitors on regular basis. There is a walkway which runs through the canyon with several platforms and viewing points. North Rim too has a variety of lookout areas which offer a number of different perspectives. During the months from November to May, there is limited access to this section of the park due to winter and snow conditions. On the whole, The Grand Canyon is the most prominent tourist attraction of the United States of America.

Niagara Falls

Niagara Falls is one of the most famous waterfalls of the world. Lying along the border of the US and Canada, the water gushing from the Lake Erie merges with the Lake Ontario, thereby presenting to you a massive waterfall which is known for its abundant quantity of water which is perennially tumbling over the vertical drop. The amount of water which goes over the falls is significantly reduced in the months of winter as more water is then used in the production of the

hydroelectric power. The Niagara Falls is basically a combination of the three falls which comprises of the largest section that is known as the Horseshoe Falls. Its second largest section is the American Falls which lie in the side of America. Lastly, a much thinner section of the falls lie next to this section and is known as the Bridal Veil Falls. You can catch a glimpse of the Niagara Falls from as far as Toronto and Canada.

Statue of Liberty

Statue of Liberty is a universal symbol of freedom. It is the most familiar icon of America. Being the largest statue of the world, the statue stands tall at 152 feet in the New York Harbor. Visitors can admire the statue from different parts around the city particularly the Battery Park. You can even take a ferry ride to the statue. For those who wish to go out to the statue, there are a number of options available which include crown tickets, grounds tickets or pedestal tickets which gives you access to the different levels of the site. For tourists who wish to explore the Statue of Liberty must definitely make advanced ticked reservations.

Times Square

Times Square is one of the most incredible places to see in the USA. Known for its New Year's Eve count down and the flashing billboards, you just cannot afford to miss this place. The place is swamped by locals and tourists in large numbers on annual basis. Situated at the heart of the Midtown Manhattan, Times Square is more about the energy that one may feel while standing on one corner of the street with cabs rushing by and lights flashing overhead. It can be a great place during the day however, the nightlife at Times Square is simple awesome.
